In this game you have to continue training your duck because you have to defeat a new opponent: a powerful black duck. Now let's practice rock climbing, flying, running, swimming, jumping and energy. Play now and enjoy the game! Ducklife 4 Walkthrough Run 4 is the fourth part of the hugely popular endless running series, which was created by Joseph Cloutier. May said that, with the great success of her three previous parts, especially run 3 games, so Run 4 is expected to bring players with excellent experience. As expected, run 4 did not disappoint the players with excellent graphics and interesting, but defies the gameplay. In this game you also control an automatically running alien to go through all the tricky terrain and all the obstacles to escape to her destination safely. However, the problems in the prospect of 4 are much more complicated than the 3 previous parts. All the characters in the game are still in Part 4, including Runner, Skater, Lizard, Child, Rabbit, Gentleman, Pastafarian, Student, and Angel. And of course you also have to collect as many power cells as possible to unlock all the characters. Also, in perspective 4, tunnel systems and achieve much more complex investments that create much more problems and addition for players. And that's one of the most appealing elements in this piece. You Run 4 - How to Play? Like the other 3 parts, it's very easy to control the game. You just have to use left or right arrow keys to move and spacebar to jump. In addition, you you can use the P button to pause and R to reset the game. If you're not used to these keys, you can also change the game's control keys by clicking on it. You run 4 tips and tricks speed games very quickly, so you have to pay your attention looking forward to the terrain and choose a safe lane. Try to collect as many power items as possible to unlock all the characters the lane will turn into a floor when you are faced with it also, there are some tips in each tunnel, but I think let you test yourself about what would be best. Run 4 How to play? However, there are some places such as office, school, restaurant, airport, station, ... Block the game that makes you can't play the game in these areas. Do not worry!
